Dear Parents and Grandparents,

Hazelwild Farm has been providing a Summer Camp for more than 45 years! In that time, we have built a program that epitomizes the meaning of SUMMER FUN! We offer activities such as swimming, fishing, canoeing and biking—just to name a few.

Hazelwild Summer Camp fills up quite quickly! That being said spaces are extremely limited as to ensure the proper counselor to camper ratio and to keep the quality and integrity of our program.

We will open our Summer Camp registration to the public on Tuesday, March 28th. We will begin taking registrations at 9:00am in our main building. You must have a completed registration form, your child's original birth certificate and a completed up to date physical form and immunization record, all in hand. The registration form and the physical form can be found on our website under forms and brochures. Failure to have these items will prevent you from registering your child. If your child attended our camp in the Summer of '22, please call our office to confirm we have your child's birth certificate and a completed physical form and immunization record. Since our camp has limited space, we are requiring that you only register your child/children, grandchildren or niece/nephew. We will not accept any registrations sent by neighbors, friends, etc...

We are looking forward to another great summer filled with lots of fun!
